

## Food For Thought BakPak Program

Beginning **Friday, August 24<sup>th</sup>** (and each Friday thereafter), the **Food For Thought BakPak Program** will distribute sacks filled with food to students **who need food during the weekends**. The **Food For Thought BakPak Program** is a partnership of businesses, faith-based ministries, and the communities of SW Jefferson County who care about hunger needs of students in our schools. This program is designed for families who are struggling financially and may need support to provide adequate food for their children on weekends. The weekend bags consist of food for meals for each participating student. The food will be packed in a plastic grocery bag. It will fit in the child's own backpack or will be easy to carry. The food is distributed at the end of the school day each Friday.

**If you wish for your student(s) to participate in this program, please complete the information below and return to the school office as soon as possible.** If participating in this program, your student's name will be shared with the BakPak program coordinator for the purpose of labeling the bags.

If you do not need assistance, but may be interested in making a monetary or food item donation toward this program, please let Amanda Arnson, Deer Creek's Social Worker know.
