

Donations for the BakPak Program

We are so grateful for anyone wanting to help with donations to the BakPak Program. The Food For Thought BakPak Program consists of a dedicated community of public, private, and faith based partners working together to nourish the hearts, minds and bodies of children in need.

A typical BakPak bag consists of 2 breakfast items, 2 lunch items, 2 dinner items and 2 snacks. Each bag averages a little under \$5.00.

Ways to Partner:
